

EAA Chapter 113/IMC Club Inaugural Meeting

EAA/IMC Club, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. This is the first full meeting of the IMC Club, which is a subsidiary of the EAA. The meeting is intended to run for one hour and will include an introductory video and open discussion.

Directions: Exit I-275 at Ann Arbor Road. Turn west. Go to Lilly Road and turn left on Lilly Road. Go past the first light and the airport will be on the left. The EAA building is the first building on the right as you enter the parking lot.
